

This barren environment is your canvas to create a crystal paradise

# Chrysalis Haven

## In Chrysalis Haven,

the rightful heir has been abducted leaving a broken village in its wake.  
Help rebuild the village while searching for clues on the prince's whereabouts.

### **Objective:**

Attempt to collect resources from crystalline entities as they transport you across treacherous terrain.  
Use the collected materials to craft homes for desperate villagers willing to trade information  
on the prince's disappearance.

### **Location:**

On the most dangerous and desolate planet in the solar system, you'll encounter whipping sand storms  
and deprived chrysalises residing under this vast nothingness eager to satisfy their hunger.

### **Features:**

- \* Grappling, riding, and harvesting chrysalises
- \* Constructing homes for villagers
- \* Collecting clues to rescue the prince
- \* A  $\frac{3}{4}$  top-down camera angle
- \* Power ups and healing collectables

**Genre:** Action-adventure

**Platform:** PC

**Proposed rating:** E10+
